

## Are you a postmenopausal woman concerned about low libido?

If so, you could be eligible to participate in a clinical trial to evaluate an investigational medication consisting of a daily intravaginal insert for 28 weeks. You will have to undergo different tests at each visit and complete various questionnaires throughout the study.

### To be eligible, you must:

1. Be a postmenopausal woman aged between 40 and 80 years;
2. Meet the other criteria of the clinical study.

A financial compensation may be provided upon completion of the study.
